MEDIA WAIVER

August 2020

Dear Parents/Guardians,

With upcoming events, activities, and the many accomplishments of Renaissance Academy, we expect that the media will be interested in what is happening at our school and we welcome their attention.

If, for any reason, you do not wish your child to be viewed on television or photographed by the media, we need to have that information in writing. This also includes photographs and/or videos taken by the school for marketing, advertising or promotional items.

You must return this form to our school's main office as your written statement. Thank you for your cooperation. If at any time you have questions, please do not hesitate to contact me at holly.mandia@rak12.org or call 610-983-4080, extension 179.

Please check one:

I give permission for my child/children to be photographed/videotaped by the media and/or the Renaissance Academy Charter School.

I DO NOT give permission for my child/children to be photographed/video taped by the media and/or the Renaissance Academy Charter School.
